

PRESS RELEASE

Hydraloop Systems is proud to announce that it has been selected as one of the top-50 most innovative Dutch technology startups, which will exhibit at the Holland Startup Pavilion in Eureka Park during CES 2020 in Las Vegas. All this under the guidance of the special envoy of TechLeap.nl: Prince Constantijn of Oranje-Nassau. Hydraloop will have its official global product launch at CES 2020 in Las Vegas this January 2020.

In addition, Hydraloop Systems is very proud to have been selected as **the best innovation in the product category 'Sustainability, Eco-Design & Smart Energy' with the highest rated honor: "Best of Innovation of Innovation Awards 2020"**.

This award is given to Hydraloop for its innovative solution to one of the greatest problems in the world: sufficient and safe water supply (UNSDG nr6).
